Heral Names Mentioned as Candidates for Seats at the State Convention.

MEETING OF DALMO KLAN

Funeral of Mrs. Chapman This Afternoon—Corporation Court Adjourns to Monday.

Manchester Bureau, Times-Dispatch, 1102 11th Street.

In political circles the main topic of conversation is the probable personnel of a six delegates to the State Democratic convention.

In addition to the name of Commonwealth's Attorney Page, the name of Mr. J. M. Moore has been mentioned as a good man to send. These two gentlemen represent two distinct sections of the city, and the general constituency is fond of both of them. Mr. Page is very popular all over town, and Mr. Moore is known and liked from Mayo's Bridge to Swanboro. He has just been chosen as alderman from the Fourth Ward. He headed the ticket at the recent election. Mr. Augustine Royal has also been mentioned. Besides these three gentlemen no others have been mentioned, but it is quite likely that Mr. Robert French, chairman of the City Democratic Committee, will be selected as a delegate.

The City Committee will meet on Monday night to decide upon the plan of choosing delegates. The most popular man seems to be that of a city convention, the delegates to that convention being chosen at ward meetings.

If this plan is adopted upon, and it seems to be the favorite one with members of the committee, the convention will be held in Leader Hall the week before the State convention meets in Richmond.

GATHERING OF THE KLAN.

The Dalmo Klan met last night at the Temple, and a lot of unsuspecting ones were carried across the desert waste and ended in the oasis of pleasure. They did trouble going over, but now they are waiting and waiting their chance to others as they were done.

High Mucka-muck Sampson was in feather, and it is said that in performing his functions the buzz saw slipped and sawed off his false beard that lay over the police. A high old time was had after the dance, and the members, it is understood, had to resort to many tales to explain themselves to their families when they got home.

FUNERAL TO-DAY.

The remains of Mrs. Isabelle Chapman, who died at Midlothian Thursday, will be brought to Manchester to-day, and the burial will be in River View. Richmond. Rev. Mr. Chidlin will conduct the services. Mrs. Chapman is survived by one son, Mr. William R. Chapman, of the Manchester Furniture Company. The funeral will be at 3:30 o'clock.

COURT NOTES.

The docket in the Corporation Court yesterday was adjourned over to Monday by Judge Ingram. In the absence of Judge Clifton, who is indisposed.

Mayor Maurice continued the case of George Burrus, charged with assaulting his brother, on Monday.

Other small cases before Mayor Maurice went over to Monday.

PERSONAL AND BRIEFS.

Merchants and others are advised to take out their licenses, so as to avoid trouble with the police.

After the meeting of Dalmo Klan last night, the nobles attended the Orange bazaar at the Temple.

Progressive Council, Daughters of Liberty, will entertain the State officers on Monday night at Ceresley's Hall.

ARRESTED FOR RAISING ONE-DOLLAR NOTES.

(Special to The Times-Dispatch.)

GREENSBORO, N. C., May 20.—Another case of one dollar bills raised to ten was planned here Wednesday and last night. This makes the third period in the past three months that the same counterfeit has been turned loose here. The police this evening arrested F. J. Hays, Jr., of Durham, N. C., who came here selling medicines.

At the trial Hays was positively identified by two witnesses as the one who passed the bogus bills on them. Hays bitterly denied any transactions whatsoever with the witnesses. Failing to give a five hundred dollar bond for his appearance at court, he was placed in jail. The police think he is one of four operating together, having headquarters at Kingston and Goldsboro, N. C. Two suspects left on foot from the Danville, Va., and have probably been arrested from information gained since Hays was arrested.

Another of the supposed confederates is being looked for in this city. The arrested man, who was arrested at Danville, Va., was being sought by the government secret service detectives have been ineffectually trying to run down the utterers of this dangerous counterfeit for several months. These raised bills have been systematically circulated in many parts of Virginia and North Carolina.

HEALTHY PLANTS.

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil and sunshine—and of atmosphere—seemed never to achieve a healthy growth?

A ton of manure will not help a plant that has a canker on its roots. It is the canker that must be removed before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc.

You must look to the cause of the trouble—be it a canker on the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ and healthy hair is the sure result.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. Agents and Minor Drug Co., Special Agents.

A DELEGATION SOLID FOR BRAXTON

(Special to The Times-Dispatch.)

STANTON, VA., May 20.—The primary election in this city yesterday resulted in the election of a delegation composed exclusively of enthusiastic adherents of A. C. Braxton's endorsement for the vice-presidency of the Richmond convention. In fact, so strong and unanimous is that sentiment in Stanton that without exception all of the candidates for delegates voted with each other in claiming their ardent advocacy of Mr. Braxton. It being understood that that was by far the most popular sentiment here that could be appealed to.

In proportion to the registered vote, this primary was one of the largest ever held in Stanton.

CLUB WOMEN HOLD FORTH AT ST. LOUIS ODEON

(By Associated Press.)

ST. LOUIS, MO., May 20.—The seventh biennial of the General Federation of Women's Clubs, opened to-day in the main hall of the Odeon and again took under consideration matters of interest to the federations, after the brief respite afforded by the patriotic exercises and social diversions at the World's Fair grounds yesterday.

The first order of business was the consideration of the report of Committee on Nominations and Elections, submitted by Mrs. Conde Hamlin, chairman.

Change of Officers.

(Special to The Times-Dispatch.)

BIRMINGHAM, TENN., May 20.—It is announced here that Mr. James Duane has been dismissed as superintendent of the Pulaski and Crozier furnaces of the Virginia Iron, Coal and Coke Company, and that with him go out Treasurer W. H. Brown, of the Pulaski furnace, and Ellis Robinson, of the Crozier furnace. It is claimed that these men were dismissed from service for alleged irregularities in transacting the business of the offices of which they had charge, but that no legal action will be taken against them, the company being satisfied with their removal. Their successors are W. Duane, superintendent of the Pulaski furnace; W. T. Rutherford, superintendent of the Crozier furnace; R. C. Taylor, cashier of the Pulaski furnace, and Nell Young, cashier of the Roanoke furnace.

Capt. Lamb to Succeed Himself.

Yesterday at noon was the time set for filing notices of candidacy for the Democratic congressional nomination with the Third District. The only candidate for the office was that of the incumbent, Captain John Lamb, who is serving his fourth term. It will be seen that the probability of the nomination of a Republican candidate, and if one be placed in the field his nomination would not afford a contest.

Wharf Rebuilt.

(Special to The Times-Dispatch.)

HEATHSVILLE, VA., May 20.—Henderson's wharf near the mouth of Curlew River, which was destroyed by ice last winter, is being rebuilt by Mr. Joseph Bowen. This will be a great convenience to the people of that section.

Louisville's Pride.

Honry Watterson is not the only pride of Louisville, Ky. It also has a street car line on which no fares are collected, not even transfers. This unique line consists of one car and a motorman. The car is a double-decker, and the motorman has become so familiar to the people, as he goes up and down the street, that he is kept as busy as a king with his bowing. The car is stopped whenever and wherever anybody wants to stop; there is no fare or side or far side to spread the car, and if the disembarking passenger happens to be a woman with bundles or babies the motorman will generally escort her up to her very door. There is no "step lively" chorus to this Louisville line. All is as serene and peaceful as a summer's day. It is an "accommodation" line that really accommodates, making connection with the nearest regular line across the city—New York Globe.

All But One.

On the fair grounds at St. Louis you can't only get a shave for the small sum of 50 cents, but by the payment of the equally small additional sum of 35 cents you can listen to sweet strains of music while reclining in the barber's chair. In fact, it seems as if you could have everything at St. Louis—if you have the money. Everything, except Geromino, bravest of the Indian bravest Geromino won't come and exhibit himself for the paltry \$50 a month offered by the authorities; he says nothing under \$100 a month can induce him to visit the fair.

Way.

"I've heard your minister wasn't very popular, but you seem to treat him as if you liked him."

"Yes."

"Yes, I notice you send him away on trips to Europe often enough."

"Of course, that's the way we like him best."—Philadelphia Press.
